

WATERSIDE COURT NOTES SUCCESS STORY! *SEPT. 2013, BY MS. GAIL*

SCHOOL BELLS will soon be ringing! We, at Waterside Court, are already preparing students to be in attendance during Roll-Call.

With heart-felt gratitude for their gracious contribution of an estimated cost of \$500, we sincerely thank

The Houston Chapter of Fairview Jr.-Sr. H.S. Reunion Corp.

Back-to-School Donations has hosted a numerous amount of students at Waterside Court with school supplies. Part of the fun of a "New School Year" is that fresh box of brand new crayons, pencils and notebooks, that are just waiting to be filled with creative minds.

With the right tools to succeed, students are now enthusiastic and excited about school. When children and teens are excited about going back to school, it can only bring good things for their life!

Students at Waterside Court Apartments created a **HUGE** Thank You Poster filled with signatures, and a group picture, each holding one letter that spelled out the words "THANK YOU"! From little hearts . . . This was their way of expressing their sincere gratitude and appreciation for THCF.

Positive statements expressed by students included, but not limited to, such comments as:

"I LOVE my Back-Pack" said Najee.

"Wow, this is sooo COOL" said Desmond.

And all students said "THANK YOU, THANK YOU, THANK YOU . . . HOUSTON CHAPTER OF FAIRVIEW!"
